

- CP PLUS Wins the "Best Electronic Security Company - Make in India Award 2024" at VarIndia Star Nite Awards

CP PLUS has been honoured once again at the esteemed VarIndia Star Nite Awards, winning the prestigious "Best Electronic Security Company - Make in India Award 2024". This accolade underscores CP PLUS's intrinsic role in advancing India's electronic security landscape and its steadfast commitment to the Make in India initiative. In alignment with the Government of India's Make in India vision, CP PLUS has consistently set benchmarks by designing, developing, and manufacturing **state-of-the-art surveillance products** that meet global standards. From advanced AI-powered security systems to cutting-edge video management platforms, CP PLUS has been instrumental in securing businesses, institutions, and homes while contributing to the nation's technological independence.
