

CP PLUS Sweeps Industry Accolades with Four Prestigious Awards in June 2025, Cementing its Leadership in Surveillance Innovation

CP PLUS, India's leading surveillance and security solutions brand, has once again solidified its position as an industry frontrunner by receiving four major accolades across esteemed platforms this June. Recognized for its innovation, indigenization, and impact, CP PLUS continues to lead from the front in securing India's critical infrastructure and public spaces.

Urban Infra CCTV Security Leader of the Year - Urban Infra Awards 2025

At the **Urban Infra Awards 2025**, held during the 5th Rail & Transit Expo at Bharat Mandapam, New Delhi, CP PLUS was conferred with the title of '**Urban Infra CCTV Security Leader of the Year**'. This prestigious recognition acknowledges the brand's exemplary contribution to safeguarding India's rapidly evolving railway networks, transportation corridors, and urban infrastructure through advanced, reliable surveillance systems.

As cities and mobility solutions modernize, CP PLUS stands tall as the technological backbone powering safer urban experiences, one camera at a time.

Atmanirbhar Bharat Award – DT Partner Excellence Awards 2025

Celebrating India's drive toward self-reliance, CP PLUS was honoured with the '**Atmanirbhar Bharat Award for Indigenous Surveillance Solutions Manufacturing Company**' at the **DT Partner Excellence Awards 2025**.

This award reinforces CP PLUS's unwavering commitment to the *Make in India* vision. From developing India's first indigenized IP SoCs to designing state-of-the-art video surveillance systems that meet both national security standards and global benchmarks, CP PLUS continues

to redefine what it means to be an Indian technology powerhouse.

Leading Surveillance Brand of the Year – ITVoice Summit & Awards 2025

In another moment of distinction, CP PLUS was named the '**Leading Surveillance Brand of the Year**' at the **ITVoice Summit & Awards 2025**. This award acknowledges the brand's unmatched reach, customer trust, and pioneering product portfolio that spans AI-powered cameras, advanced video analytics, integrated command and control solutions, and cloud-based monitoring systems.

As a brand that has become synonymous with reliability, CP PLUS continues to be the preferred choice for governments, enterprises, and institutions across the nation.

Visionary in Surveillance Excellence – Mr. Aditya Khemka (ITVoice Summit & Awards 2025)

Adding another feather to the CP PLUS cap, **Mr. Aditya Khemka**, Managing Director – CP PLUS (Aditya Infotech), was recognised as the ‘**Visionary in Surveillance Excellence**’.

A trailblazer in the Indian security landscape, Mr. Khemka's forward-thinking leadership and relentless pursuit of innovation have helped shape the future of surveillance in India. His contribution to indigenized product development, tech-led transformation, and ecosystem empowerment has earned him this well-deserved honour.

A Month of Milestones, A Legacy of Leadership

These awards collectively reaffirm CP PLUS's leadership in building a safer, smarter, and self-reliant India. At a time when the surveillance industry is evolving rapidly - with AI, big data, and integrated technologies at the helm - CP PLUS remains at the forefront, offering future-ready solutions backed by deep domain expertise and a strong national vision.

From securing metro stations and smart cities to enabling homeland security and industrial resilience, CP PLUS continues to elevate India's surveillance infrastructure with innovation that's made in Bharat and built for the world.
