

- **Product of the Year Award 2024 - Video Surveillance Systems - FIST Awards 2024 presented by FSAI**

CP PLUS continues to solidify its position as a frontrunner in the security and surveillance industry by winning the prestigious "Product of the Year" award for its Video Surveillance System at the FIST Awards 2024. Organized by the Fire & Security Association of India (FSAI), the FIST Awards are renowned for recognizing excellence and innovation across the fire and security sectors. This accolade is particularly significant as it highlights CP PLUS's dedication to delivering groundbreaking Made-in-Bharat innovations that set new benchmarks in the industry.
